Our Core Values

We're one **#TeamEviden** spread across the world, with a set of values born from our people.

1

We foster an inclusive, equitable community because we're smarter, stronger and have more fun together. We forge trusted relationships that are built-to-last.

#GrowTogether

2

We are practical, but we also know when to take audacious risks in pursuit of progress.

#DareToTry

3

We have a deep commitment to sustainability; it's our responsibility to use technology to improve the well-being of people and planet.

#DoTheRightThing

4

We use our curiosity to transform possibility into reality and take our work to the next level.

#StayCurious

04 Eviden in Croatia

Eviden has a strong presence in Croatia and SEE where we play an important role on the market delivering complex solutions

Eviden Croatia

The history of Eviden in Croatia dates back to 2011, when Atos Origin and Siemens SIS merged on a global level to form the new company EVIDEN. Over the years, Atos grew organically and through acquisitions (Bull, CVC, Syntel, ...). At the same time, the number of our satisfied users grew, both in the private and public sectors. In 2023, a new market brand Eviden was created, which took over Atos digital business. Atos Croatia has become Eviden since 2024!
